

Study Group Icon & Notes Summary Matrix
Cortez Landscape, Dolores 4/14/'05

Primary Use	Concern	Opportunity
4WD	Altered Landscapes	Archaeology
All Uses	Archaeology	Better Maps showing allowed uses
ATV	ATV	Disperse Uses
Forest Health	Fores Health	Encourage Multiple User Groups to
Grazing	Mixed Rec Use Conflict	Forest Restoration
Hunting	Motorized/Non Motorized conflict	Grazing
Motorcycle	Oil & Gas	Loop routes
Mountain Biking	Over Crowding	Motorized route Creation
Multiple Uses	Pet Imapacts	Multiple recreation Use
Traditional Uses	Residential Imapct/Conflict	Multiple Uses
Wildlife Habitat	Residential Impact/Conflict	Riparian restoration
Outstanding Features	Urban Interface	Trail expansions
Archaeology	Vandalism	User Stewardship
Convenient Access & Parking	Weeds & Invasive Species	Wildlife Habitat
Cultural Places	Wildlife	Protect Mesa Verde from rec uses
High level of Human Activity	Access opportunities shrinking due to private land	Expand motorized opportunities
Lakes	Illegal dumping	Grazing mitigates fire hazard, can improve
Multiple Recreation Use	Motorized access - concern about loosing access	Keep patchy lands for wildlife habitat
Multiple Uses	Motorized users litter	Manage to preserve cultural resources
Natural Process	No additional oil-gas leases	More non-motorized loops
Permanent Facilities	No new Leasing for oil and gas.	Open up to ATVs
Single Track	Oil and Gas adverse impacts on ecosystem health.	Purchase private land for trails
Views/ScenicResources	Ponderosa pine restoration	Sell or trade isolated BLM parcels
Wildlife Habitat	Preserve BLM patchwork lands	
Archaeological sites on Mesa	Trails too close to cultural resources	
Ideal mountain biking terrain		
Viewshed for Mesa Verde N.P.		
Close to Town
