

### Study Group Icon & Notes Summary Matrix Silverton Landscape, Columbine 5/24/'05

Primary Use	Outstanding Features (cont.)	Opportunity
4WD	Only high -elevation BLM land	Better Signage
ATV	Unlimited recreational opportunities	Close Area DES. Sites
Back Country Camping	View of Peaks everywhere	Education
Back Country Skiing	Views from highway	Forest Restoration
BackPacking	Wonderful for a Sunday afternoon drive.	Grazing
Forest Health	Year round motorized recreation	Historic Structures
Forest Restoration	Concern	Loop routes
Grazing	Access & Parking	Mining
Hiking	Altered Landscapes	Multiple recreation Use
Multiple Uses	ATV	Multiple Uses
Municipal Water Use	Excessive Roads	Non Motorized Recreation Area
Non Motorized	Mining	Permit system
Pleasure Drive	Mixed Rec Use Conflict	Restoration
Wildlife Habitat	Motorized in Non motorized area	Segregate Uses
Outstanding Features	Motorized/Non Motorized conflict	Special Interest Areas
4WD Trails	Mountain Biking	Trail expansions
Convenient Access & Parking	Multiple Recreation	Wilderness Addition
Few Human Facilities	Pet Impacts	Wildlife habitat
Geologic Features	Residential Impact/Conflict	Keep existing 4 wheel drive trails open
Loop routes	Riparian degradation	Loop route increase trail capacities
Multiple Recreation Use	Snowmobiling	Lower portion of landscape should be wilderness.
Natural Setting	Utility Corridors	Mine reclamation
Peaks/Summits	Wildlife Habitat	Preserve mining and grazing rights
River/Streams	Andrews lake area snowmobile violations	
untracked Snow	Damage to high Alpine Tundra	
Views/ScenicResources	Impacts of mines on water quality	
Wilderness	Limit future ski area development	
Wildlife Habitat	More snowshoe / cross country skiing at Molas	
Andrew's lake is a special place	Motorized access - concern about loosing access	
Existing roads & trails: good multi-use area	Motorized use occurring off of existing trails-roads	
last & best places in Colorado for motorized use	Recognize rights associated w/utility corridors	
Make San Miguel Wilderness study area a	Residential use of mining claims	
Old cabins & mine buildings.	Separate winter motorized & non motorized uses
