

Piedra River Workgroup Meeting
Tuesday, April 17, 2012
5:30-8:30p.m.

Ross Aragon Community Center, Pagosa Springs, CO
(451 Hot Springs Blvd., 970.264.4152)

Proposed Outcomes:

- Review information updates from last meeting
- Begin assessment of whether current protection tools are adequate to protect identified values
- Identify next steps for the Piedra River working group

Meeting Agenda

- I) Introductions
- II) Meeting Opening: review of outcomes and ground rules
- III) Brief review of the purpose of the workgroup and the questions the groups is being asked to consider
- IV) Review of last month's meeting summary
- V) Review of information updates
 - Map revisions
 - Piedra river flows
 - Proposed CWCB dam location sites
 - Williams Reservoir Management plan
 - Senior and tribal water rights below Hwy 160
 - Available water for new appropriation
 - Identify additional information needs
- VI) Are current protections adequate for various segments?
 - Does the group have enough information to answer this question?
 - If not, what other information is needed?
 - Define criteria to analyze whether current tools are adequate.
 - Review "Initial River Protection Tools" handout, if current protections for any segments are found to not be adequate.
- VII) Next Steps
