Please RSVP to Marsha Porter-Norton if you do not plan to attend:  
[porternorton@bresnan.net](mailto:porternorton@bresnan.net) or 759-3110

Proposed Outcomes:

- To continue determining where consensus or agreement(s) and/or a “range of opinions” are related to river protections

Agenda

- I) Introductions
- II) Review of the Ground Rules and Purpose of the Meeting
- III) Brief Overview (5 minutes) of the River Protection Workgroup model
- IV) Start discussion related to current protections and recommendations for the East Fork:
  - Overview of protections currently in place on the East Fork of the San Juan River and then discussion of:
    - Are the protections adequate for the East Fork on the public lands segments? If not, what are additional ideas?
    - Are the protections adequate for the East Fork for the private lands? If not, what are additional ideas? Note: We will recap agreements and the range of ideas related to private lands on the West Fork for potential discussion on the East Fork
    - Development of recommendations or next steps
  - Recap of recommendations for both the East and West Forks and/or reflection of the “range of opinion” in the group
  - Next steps
- V) Determine steps for wrapping up the Working Group (*hopefully in 2 more meetings as per original plan*)
- VI) Next Meeting
