Notes:

A = Absolute Water Right - reservoir has been constructed and stored water has been put to use as documented by a court decree.

C = Conditional Water Right - reservoir has not been constructed and/or stored water has not been put to use.

etc. = Et cetera

CWCB Lake Level Water Rights were not included unless lake also has a storage right

Storage Rights that withdraw only from Elbert Creek are not shown because its confluence with the Animas River is just about at Baker's Bridge.
