

Hermosa Creek Workgroup Meeting
Tuesday, September 1st, 2009
6:30 to 8:30 p.m.

Durango Community Recreation Center

Proposed Outcome:

- Ensure everyone is up to speed on what is happening
- Gain a clear understanding of the proposed Advisory Council

Agenda

- I) Introductions
- II) Agreement on Meeting Outcomes and Agenda
- III) Past Meeting Summaries – July 2009
- IV) Update on the Work of the Drafting Committee & Discussions by the River Protection Workgroup Steering Committee related to a basin-wide approach in dealing with water issues: questions, answers and discussion
- V) Further Defining the Proposed Advisory Council:
 - what would it do?
 - how would it be set up?
 - who would be appointed (sector wise) and how would they be appointed?
 - how would this group interface with the USFS?
 - other details
 - is there interest in a sub group taking this on?
- VI) Next Meeting
